DATED: 12th DECEMBER, 2005

Between

… Petitioner

and

The District Collector, Rangareddy District and others.

THE HON'BLE SRI JUSTICE V.V.S.RAO

WRIT PETITION No.26206 OF 2005

ORDER:

The petitioner claims to be the owner of a house site in Old Bowenpally village within the municipal area of Kukatpally. He approached the third respondent seeking permission for construction of a house. He alleges that the third respondent granted building permission to other residents of the colony but did not give such permission to the petitioner, which is discriminated. Though the petitioner categorically asserts in the affidavit accompanying the writ petition that his application for building permission is still pending. Curiously, the prayer reads as if permission is granted and when the petitioner is constructing, the third respondent is interfering with the construction. On a query by the Court, the learned counsel for the petitioner categorically made a statement that the petitioner is not making any construction as the third respondent did not grant any permission.

Recording the statement of the learned counsel for the petitioner, this writ petition is disposed of directing the third respondent to pass appropriate orders on the application made by the petitioner under Section 214 of A.P.Municipalities Act, 1965 within ten days from the date of receipt of copy of this order. Be it made clear that if the petitioner is making any construction without building permission, it shall be open to Kukatpally Municipality to demolish such construction without any notice.

The writ petition is accordingly disposed of. No costs.
